**ERRATA ORDER**

(Issued December 22, 2000)

On December 21, 2000, the Utilities Board issued an "Order Establishing Price Plan Rate Reduction" in Docket No. TF-00-250. In ordering paragraph No. 2 the Board set out a schedule for the filing of proposed tariffs and objections. The schedule inadvertently required tariffs to be filed in five days and not five business days. Also, the effective date should have been 15 business days after the issuance of the order. Ordering paragraph No. 2 will be modified to allow the additional time for filing the proposed tariffs and the objections and to extend the effective date.

**IT IS THEREFORE ORDERED:**

The proposed tariffs shall be filed on or before December 29, 2000, with an effective date of January 16, 2001. Objections to the proposed tariffs are limited to the proposed tariff's compliance with this order, and any objections shall be filed on or before January 8, 2001.
